

June-Spring to Summer

From Rainy weekends to blazing heat, June brought many surprises!

The BGC was very busy tending our wonderful gardens! A HUGE Thank You to all our garden helpers. Rain or shine, chilly or sweaty you all keep Bristol beautiful!

**Our "Elegant Tailgate" was a great success again this year. Hard work deserves yummy rewards.

**The June meeting at Sakonnet Gardens was well attended on a beautiful day. The owner and guide, John, inspired us all to go home and create Garden Rooms! Places to reflect on all things gardening and stay grounded!! Thank you to our hostesses, Margie and Paulette for our wonderful repast and refreshing drinks.

****Congratulations to Laurel, Kathy and Pam for creating a 1st Place, Blue Ribbon Winning entry to the RI Flower Show!**

**I wish you all a wonderful 4th of July! Enjoy your gardens and sip a cool drink (make it fancy with a colorful Nasturtium!

****We are all so lucky to live in such a Beautiful, Patriotic, Seaside New England Town! Nothing says New England better than Blue Hydrangea!!**

See you all in August,

Mary-Fran
