**Project Description:**

Amount Requested from BGC: \$ \_\_\_\_\_

1. Summarize the proposed project. Please describe the audience, area of interest, what is to happen, when and where it will occur, and how the project will be executed.

2. Describe the planning done for this project, and who or what organizations were involved.

3. Describe how this project will benefit Bristol and/or Warren youth, and why it should occur:

4. List qualifications of applicant and of those responsible for execution of the project as they relate to the project:

**5. What specific educational goals are sought? Describe how you will evaluate progress toward these goals; describe the evidence you will gather to measure your children's progress. (Copies of this evidence should be filed with BGC after the program is completed.)**

***Applicant needs to be affiliated with a public or non profit organization. Otherwise a fiscal sponsor is needed, along with letter(s) of collaboration from the sponsoring organization who will support the project, manage funds, and be responsible for reporting back to the club after the project is completed.***

**Budget Information**
